## Profile of Esteemed Board of Governors

**ING. NANA POKU AGYEMAN, FGhE**

Ing. Nana Poku Agyeman is a highly experienced Civil Engineer specializing in road construction, supervision, and traffic engineering. With over 14 years of post-qualification experience, he has worked with the Department of Urban Roads in Kumasi, Ghana, overseeing

various projects. Nana Poku Agyeman holds an Executive Masters in Business Administration from the Commonwealth and a Bachelor's degree in Civil Engineering from KNUST. Currently serving as Principal Engineer at the Department of Urban Roads, he has been involved in significant research and project supervision throughout his career. Nana Poku Agyeman's achievements include implementing the Paid Parking System in Kumasi's central business district and supervising notable projects. He has received recognition for his contributions, including awards and distinctions. With his expertise, leadership, and involvement in professional and social organizations, Nana Poku Agyeman is a valuable asset in high-profile meetings, contributing insights and solutions.

**ING. PROF. ELSIE EFFAH KAUFMAN**

Prof Elsie Effah Kaufmann is an exceptional educator, researcher, and mentor whose profound influence extends to science and technology in Ghana, Africa, and beyond. With a Ph.D. in Bioengineering from the University of Pennsylvania, she currently serves as an Associate Professor and Dean of

Students at the School of Engineering Science at the University of Ghana. Prof Kaufmann's dynamic teaching style and research focus on biomedical engineering have earned her numerous prestigious honours, including the Golden Torch Award and the University of Ghana's Best Teacher Award. She is a passionate advocate for STEM education, particularly for girls and young women, and as the quiz mistress for the National Science and Math Quiz, she inspires and nurtures the next generation of STEM leaders in Ghana.

**DR. AFUA JECTY HESSE**

Prof Afua Adwo Jectey Hesse is a trailblazing figure in Ghana's medical field, notably as the first Ghanaian-trained female paediatric surgeon and the first female head of the Department of Surgery and the Paediatric Surgery Department at Korle-Bu Teaching Hospital. With

unwavering dedication, she has provided exceptional care to children and their families, mentored others, and worked towards improving healthcare practices in Ghana. In retirement, she continues to contribute as a part-time lecturer and has played a pivotal role in establishing the Accra College of Medicine, providing opportunities for students who may not meet the requirements of public medical schools. Prof Jectey Hesse's remarkable achievements, resilience, and compassion have made a lasting impact on Ghana's medical community.

**SUBHI ACCAD**

Subhi Accad is an esteemed Ghanaian automotive industry leader, renowned for his exceptional contributions as the CEO of Universal Motors Ltd., one of Ghana's top automotive companies. Under his guidance, Universal Motors has excelled as a licensed distributor of Volkswagen and Porsche

vehicles, earning accolades and recognition for its commitment to best business practices and industry advancement. Subhi Accad's extensive career spans various automotive companies, and he also serves as the Group CEO for Auto Parts Ltd., importing Nissan vehicles, Mercury Outboard Motors, and Quicksilver Boats. Notably, Universal Motors was contracted by Volkswagen Ghana in 2020 to assemble Volkswagen vehicles in Ghana, showcasing Subhi Accad's dedication to delivering quality products with Ghanaian craftsmanship. With a strong emphasis on after-sales service and customer satisfaction, Subhi Accad's leadership has positioned Universal Motors as a driving force in Ghana's automotive sector. His recent Best CEO of the Year award at the JP Ghana Auto Awards further affirms his outstanding leadership and contribution to the industry.

**PROF. RITA AKOSUA DICKSON**

Prof. Rita Akosua Dickson is a renowned Ghanaian phytochemist and Professor in the Department of Pharmacognosy at KNUST. She holds a PhD in Pharmacognosy and a Graduate Certificate in Academic Practice from King's College, London, specializing in

ethnopharmacology, bioactive natural products, phytochemistry, and herbal drug standardization. With numerous peer-reviewed publications and memberships in scientific groups, she has made significant contributions to her field. Prof. Dickson's remarkable career includes being the first female Pro Vice-Chancellor (2018-2020) and currently serving as the Vice-Chancellor of KNUST, making her the first woman to hold this esteemed position. Her academic journey began at KNUST, where she obtained a Bachelor and Master of Pharmacy, followed by a PhD from King's College London. Her groundbreaking achievements and leadership roles have solidified her status as a respected figure in pharmaceutical research.

**PROF. E. BONDZI SIMPSON**

Prof. Philip Ebow Bondzi-Simpson is a highly accomplished legal scholar and practitioner who currently serves as the Rector of the Ghana Institute of Management and Public Administration (GIMPA). With extensive academic qualifications, including an S.J.D. in Corporate Law and an LL.M. in Human Rights, he

brings a wealth of knowledge and expertise to his role. Throughout his career, Prof. Bondzi-Simpson has made significant contributions to legal education and consulting, having served as the Founding Dean of the Faculty of Law at the University of Cape Coast and held key positions at institutions such as the Ghana School of Law and the Commission on Human Rights and Administrative Justice (CHRAJ). His leadership and involvement in professional associations further demonstrate his commitment to the development of legal education and the enhancement of higher education institutions. As the newly appointed Vice-Chancellor of the Methodist University Ghana, Prof. Bondzi-Simpson aims to foster stronger collaboration between the church and the university, working towards national development and progress while driving strategic growth for the institution.

**REV. GIFTY LAMPTEY**

Rev. Dr. Gifty Akushika Lamptey, also known as Mama Gifty, is an exceptional businesswoman and philanthropist making a significant impact in West Africa. As CEO of Sidalco Group of Companies, she has led her businesses to dominate the Ghanaian market with exceptional products and services. Under her

unique management style, the Sidalco Group has provided cutting-edge solutions to cash crop farmers, particularly in cocoa production, ensuring Ghana's cocoa is renowned for its quality worldwide. Mama Gifty's ventures into the petroleum and concrete batch plant industries have further demonstrated her entrepreneurial prowess. Alongside her business success, she established the NGO Ladies of the Cross International, empowering women through faith-based initiatives and making a difference in communities through various projects. Despite her achievements, Mama Gifty remains deeply connected to her faith and holds honorary doctorate degrees for her exceptional leadership. Her commitment to building a sustainable and globally recognized business sets her apart, and she continues to inspire as a compassionate philanthropist, making a profound impact on lives in Ghana and beyond.

**JOYCE ABABIO**

Joyce Ababio is a highly accomplished fashion designer, educator, and visionary leader in the creative industry. She founded the Joyce Ababio College of Creative Design (JACCD) in 2013, which has become Ghana's premier creative design institution, offering programs in Fashion Design, Graphic Design, and

Entrepreneurship. Throughout her career, she has received numerous awards and recognition, including the Best Formal Evening Wear Award at Miss World in 1995 and the Fashion Contributor Award in Education and Mentoring. As the President of JACCD, Joyce Ababio is dedicated to nurturing a new generation of talented designers and shaping Ghana into an international fashion hub. Her passion, dedication, and commitment to excellence continue to inspire aspiring designers and contribute to the growth of Ghana's creative industry.

## Profile of Esteemed Board of Governors

### DR. STEPHEN AKANGAH

Dr. Stephen Akangah is a highly skilled ENT Surgeon based in Accra, Ghana, with a remarkable career spanning over 26 years at the prestigious Korle Bu Teaching Hospital (KBTH). During his tenure at KBTH from 1990 to 2016, he provided exceptional medical care to patients in

need of ear, nose, and throat surgeries. Dr. Akangah's expertise extends beyond the operating room, as he is also a talented writer and translator fluent in both French and English. His linguistic abilities enable effective communication with patients and medical professionals, ensuring comprehensive care. Currently, Dr. Akangah is affiliated with the Eden Family Hospital, where he continues to deliver high-quality medical services. With his extensive experience and unwavering dedication, Dr. Stephen Akangah remains a respected and committed medical professional, contributing to the advancement of healthcare in Ghana.

### MUKESH THAKWANI

Mike Thakwani, also known as Mukesh V. Thakwani, is a highly esteemed businessman and the Founder and Chairman of B5 Plus Limited, the leading iron and steel company in Ghana. With a vision to establish B5 Plus as the world's most renowned steel industry, Mike Thakwani has

demonstrated exceptional leadership and guided the company to its prominent position today. His entrepreneurial spirit and ability to anticipate future trends have propelled B5 Plus to achieve remarkable growth within a short span of time. Mr. Thakwani's contributions to the socio-economic development of Ghana have been acknowledged by the Duke of Edinburgh's International Awards Association. As one of Ghana's foremost businessmen, he continues to inspire with his enterprising mindset and visionary approach to business.

As a Fellow of the Association of Chartered Certified Accountants (FCCA) (UK) and a researcher with the African Economic Research Consortium, Prof. Abor has made significant contributions to various fields such as development finance, corporate governance, international finance, and health finance. His expertise has been recognized through publications in reputable international journals, and he holds Visiting Professor and Visiting Scholar positions at esteemed institutions. Prof. Abor's extensive consulting experience includes working with local and international organizations in finance, banking, financial markets, and policy development. He serves on several company boards, including the Chairmanship of the Board of SIC Life Company Ltd.

### NATHAN ADISI (BOLA RAY)

Nathan Kwabena Anokye Adisi, also known as Bola Ray, is a Ghanaian media mogul, entrepreneur, and renowned radio and television personality. As the CEO of EIB Network Group and Empire Entertainment, he has made significant contributions to the media industry in Ghana. Bola Ray's

educational background includes a Diploma in Public Administration from the University of Ghana Business School and a Bachelor of Science Degree in Business Administration from Central University. He furthered his studies with an MBA in Global Business and Sustainability from the Catholic University of the Sacred Heart of Milan (ALTIS) and the Catholic Institute of Business and Technology (CIBT). Throughout his career, Bola Ray has received numerous awards for his exceptional work, including Best Radio Personality and Radio Late Afternoon Show Host of the Year. As a philanthropist, he has been recognized for his charitable contributions. Bola Ray's visionary leadership and commitment to developing the media landscape in Ghana make him an inspiration and role model for aspiring broadcasters and entrepreneurs.

### PANYIN BAIDEN

Kwesi A. Baiden is a highly experienced legal professional specializing in mergers and acquisitions and corporate finance law. Throughout his career, he has worked with prestigious law firms across the United States, gaining extensive expertise in the field.

Currently, Kwesi holds the position of Chief Compliance Officer and Senior Associate General Counsel at Transocean, a renowned global offshore drilling services company. In this role, he is responsible for overseeing Transocean's comprehensive compliance program worldwide. With previous positions at Valaris Plc and Ensco Plc, Kwesi has demonstrated his proficiency in leading legal teams and providing strategic guidance in areas such as contracts, asset management, intellectual property, and more. His expertise also extends to compliance, where he has played a crucial role in developing and implementing robust compliance programs and ensuring regulatory compliance. Kwesi A. Baiden's extensive legal background, coupled with his strong leadership skills, has earned him a stellar reputation as a trusted and accomplished professional in the industry. Additionally, he serves on the Board of Directors for Margins Group.

### ADJOA BOATENG

Adjoa Boateng is an exceptional entrepreneur, known for her visionary leadership and innovative approach in consumer industries and retail financial services. She is the founder and CEO of H by Homefoods and previously held the position of Regional Director, West Africa, at MicroEnsure. Adjoa's career began at Goldman

Sachs in London, where she gained valuable insights into the financial industry. Her entrepreneurial spirit led her to become the Managing Director of Oxytane Ghana Limited. With a BA (Hons) degree in Business Studies from the University of Sheffield, she has a strong educational foundation. Adjoa is recognized for her contributions to the micro-insurance sector in Ghana, displaying innovation, strategic thinking, and a commitment to meeting market needs. Her exceptional leadership skills and dedication to making a positive impact position her as a role model for aspiring entrepreneurs. Adjoa Boateng's journey exemplifies determination, resilience, and the transformative power of entrepreneurship, making her a prominent figure in Ghanaian entrepreneurship and an inspiration to entrepreneurs worldwide.

### PATRICIA POKU-DIABY

Patricia Poku-Diaby is a highly successful Ghanaian businesswoman and CEO of Plot Enterprise Ghana Limited. With extensive experience in trading, she established Plot Enterprise Group, a global conglomerate that operates through its subsidiaries Plot Commodities, Plot Enterprise Ivory Coast, and

Plot Enterprise Ghana. The group's activities span the commodities industry, including cotton and cocoa trading. Plot Enterprise Ghana, a wholly Ghanaian-owned company, operates a state-of-the-art cocoa processing plant in Takoradi with a capacity of over 32,000 metric tonnes. The company exports its products to the US, Europe, Asia, Australia, and the Middle East, and has a workforce of over 200 employees. Patricia's entrepreneurial achievements have solidified her position as a prominent figure in the business world, particularly in the cocoa industry.

### JAYNE APPENTENG MEMBER, ACTION CHAPEL

## Profile of Esteemed Advisory Board

### DR. ERNEST OFORI SARPONG

Ernest Ofori Sarpong is a highly accomplished businessman and industrialist in Ghana. He has successfully established and led various businesses across different sectors. Starting with Sarpong Ventures Ltd, an import and trading business, he expanded into real

estate and construction with Special Investments Ltd, known for its high-quality estate houses, apartments, and office complexes. Collaborating with Dr. Osei-Kwame, he formed United 2 Co. Ltd, overseeing ventures such as U2 Salt Ltd (salt mining and refinery) and United Television (UTV Ltd), a leading TV station. Driven by his vision, he founded Special Ice Ltd, a mineral water company recognized for its excellence. Dr. Ofori Sarpong also serves as the Board Chairman of Best Point Savings and Loans Co. Ltd, a prominent financial institution. He is a devoted Christian, holds a Doctorate Degree of Philosophy in Law, and has received prestigious awards for his entrepreneurial achievements. With his extensive business expertise and commitment to Ghana's economic development, Dr. Ofori Sarpong is highly respected in the business community.

### ALEX DADEY

Alex Dadey is an accomplished entrepreneur and philanthropist who has made significant contributions to multiple industries in the United Kingdom and Ghana. With over 30 years of experience, he has excelled in sectors such as Fintech, Logistics, Agriculture, Property Development, and Commerce, while also driving the digitalization agenda of the Government of Ghana. Mr. Dadey's commitment to fostering an inclusive financial environment and facilitating partnerships for the growth of small businesses has been instrumental in Ghana's collective advancement. As a philanthropist, he actively supports social intervention programs through his foundation, KGL Foundation, focusing on sports, health, and education. With his leadership, Mr. Dadey established the KGL Group, a Ghanaian conglomerate with subsidiaries in diverse sectors, and has been actively involved in corporate social responsibility initiatives and sponsorship of significant events. His advocacy for Diaspora inclusion and his role in initiating key summits further demonstrate his commitment to Ghana's development agenda. With a BSc. (Admin) degree from the University of Ghana Business School, Mr. Dadey's achievements, visionary leadership, and dedication position him as a prominent figure in both the business and philanthropic realms.

### DR. KWAKU OTENG

Dr. Kwaku Oteng is a highly influential and successful businessman in Ghana, known for his exceptional business strategies and execution. As the CEO of Angel Group of companies, he has built a diverse empire encompassing herbal medicine, broadcasting, beverage, and transportation industries. Dr. Oteng's

entrepreneurial journey began as a street hawker, and through hard work and visionary leadership, he has transformed his humble beginnings into remarkable success. He is not only a savvy businessman but also a philanthropist, providing scholarships to deserving students and contributing to the betterment of society. Dr. Kwaku Oteng's achievements and ventures, including Adonko Bitters, Angel Broadcasting Network, and Angel Group of Companies, exemplify his ability to identify market opportunities and create thriving enterprises. At 55 years old, he continues to inspire and motivate aspiring entrepreneurs with his resilience, innovation, and commitment to excellence. He is a true icon in Ghana's business landscape, leaving a lasting positive impact on individuals and communities through his entrepreneurial prowess, philanthropy, and dedication to creating meaningful change.

### ROSA WHITAKER

Rosa Whitaker Duncan-Williams is a visionary leader and influential advocate for African trade and investment. As the President and CEO of The Whitaker Group (TWG), she has played a vital role in shaping US-Africa relations through her work as the first Assistant US Trade Representative for Africa. Rosa's involvement in crafting the African

Growth and Opportunity Act (AGOA) has propelled economic growth and job creation throughout the continent. Her expertise in African trade and business engagement has earned her recognition as a Top 100 Global Thinker by Foreign Policy magazine. In addition to her professional achievements, Rosa's philanthropic endeavors, such as her involvement with Mercy Ships, highlight her commitment to improving healthcare in Africa. She holds leadership positions on prestigious boards and is highly regarded as a commentator and thought leader in US and global media. Rosa Whitaker Duncan-Williams is an inspiring trailblazer who continues to shape Africa's economic landscape.

### KATE QUARTEY PAPAPIO

Kate Quartey-Papafio (Dr.) is a distinguished Ghanaian Industrialist and a renowned leader in the cable manufacturing industry. She founded Reroy Cables Ltd in 1992, which has become an iconic brand in Ghana's cable manufacturing and aluminum application

industry. Under her leadership, Reroy Cables has expanded its manufacturing capabilities, offering complete power solutions and strategic contract services to the electricity sector. Mrs. Quartey-Papafio has been recognized for her outstanding contributions and achievements, including prestigious awards such as the CIMG Marketing Woman of the Year and the Ernst & Young West Africa Entrepreneur of the Year. She is known for her client-focused approach, excellence, and continuous improvement, which have made Reroy Cables synonymous with high-quality service delivery. Her visionary leadership and commitment to excellence have propelled Reroy Cables to its prominent position in Ghana's business landscape.

### KOFI AMOA-ABBAN

Kofi Amoa-Abban is a renowned Ghanaian Oil and Gas entrepreneur, recognized for his visionary leadership and unwavering commitment to success. As the CEO of Rigworld Group, he has established a thriving oil services business across West Africa, leveraging his extensive industry experience.

Known for his reliability, hard work, and strategic thinking, Amoa-Abban excels in developing both his business and the individuals within it. He is a skilled manager and team player, adept at leading teams and achieving objectives. With expertise in dealing with clients and resolving conflicts, he has successfully negotiated contracts in local and foreign markets. Amoa-Abban's journey began as a young worker on an oil rig, and through his determination and refusal to accept "no" for an answer, he has risen to the helm of Rigworld Group. Alongside his entrepreneurial pursuits, he is dedicated to philanthropy, using his influential position to give back to the community. Kofi Amoa-Abban's exceptional profile as a dynamic leader, visionary entrepreneur, and philanthropist showcases his remarkable achievements in the oil and gas industry.

## Profile of Esteemed Advisory Board

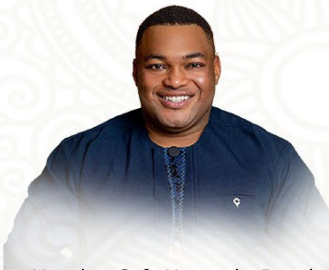

### ANIA HAFER

Anis Haffer is a distinguished Ghanaian educationist, known for his significant contributions to the field of education. As the Founder of the Gifted and Talented Education (GATE) Institute, he has advocated for a practical approach to learning, aiming to produce graduates with employable skills. Haffer's expertise and insights have earned him recognition as one of the 100 most influential Africans in Education. Through his columns in the Daily Graphic and Business World magazine, he shares his knowledge and promotes effective education practices. Haffer is also an accomplished author, with books that provide valuable guidance for educators and policymakers. With a wealth of experience in teaching, coordinating gifted education programs, and designing workshops and seminars, Haffer serves in various capacities and has had a lasting impact on the Ghanaian educational landscape by promoting critical and creative thinking.

### LINDA AMPAH

Linda Ampah is a remarkable Ghanaian entrepreneur and fashion designer who has overcome numerous obstacles on her entrepreneurial journey, particularly as a female business owner in Africa. Her mission centers around empowering women through job opportunities. As the founder of KAD Manufacturing and Cadling Fashions, she manufactures school uniforms and garments for renowned U.S. brands, while also providing training and housing for women and girls who sleep on the streets. Ampah's creative prowess extends beyond fashion, as she serves as a judge on the popular TV show "Ghana's Most Beautiful" and plans to open a new outlet to offer employment opportunities and affordable, high-quality products. Her skillful designs, inspired by colors and using premium fabrics, cater to customers with sophisticated and modest tastes. Ampah's book, "Pieces of the Portrait," further showcases her inspiring journey. Her entrepreneurial spirit, commitment to empowering women, and artistic talents have established her as a prominent and influential figure in Ghana's fashion industry.

### SAFO KANTANKA JNR

Kwadwo Safo Kantanka Jnr, the CEO of Kantanka Group of Companies, is a dynamic and ambitious individual with a unique background. As the son of Apostle Kwadwo Safo Kantanka, he was initially focused on building a different career pathway. However, his father's business mandate redirected the course of his career. Despite being a trained pilot, Kwadwo Safo Kantanka Jnr realized that the income from his profession would not be sufficient to drive the weight of impact to society. Entrusted with the responsibility of leading the family business, Kwadwo Safo Kantanka Jnr embraced the challenge and has since become a driving force behind the success of Kantanka Group of Companies. With his strong leadership skills and innovative mindset, he is determined to make a significant impact in the automotive industry. Kwadwo Safo Kantanka Jnr's journey from the beginning to assuming the CEO role exemplifies his ability to adapt, take on responsibility, and excel in a highly competitive business environment.

### ELINAM HORGLI

Elinam Horgli is a vibrant and forward-thinking young professional known for her self-motivation, determination, and innovative mindset. With a diverse background in fields that challenge her creativity, she has proven herself to be a goal-oriented individual. Elinam's exceptional organizational skills and strong sense of responsibility have contributed to her success in managing people and working effectively under pressure. Her exposure to different cultures and ethnicities has equipped her with the ability to connect with a wide range of individuals. As the Deputy Managing Director of JK Horgle Transport & Company Limited, she emphasizes the importance of continuity in national development and the value of building upon existing foundations. Additionally, Elinam is the Managing Director of Eblah Trading and Advisory Limited, offering business, career, and life coaching services. With academic excellence in innovation and technology management, she combines theoretical knowledge with practical expertise. Elinam's commitment to ethics, hard work, and continuous improvement, along with her appreciation for faith, IT proficiency, and people skills, positions her as a remarkable professional with great potential for success in various domains.

### KOBBY ASMAM

Vincent Kobina Asmah, professionally known as Kobby Asmah, is an accomplished Political Editor with extensive experience in the media production industry. With a strong background in journalism, media relations, and corporate communications, Asmah has established himself as a respected figure in the field. He currently serves as the Editor of Graphic Communications Group Limited (GCGL), overseeing renowned publications such as The Daily Graphic, TheMirror, Graphic Business, Graphic Sports, Graphic Showbiz, Junior Graphic, Graphic Online, and Graphic Apps. With a career spanning three decades, including two decades in newsroom management, Asmah has demonstrated a keen interest in international and local politics, development journalism, media and conflict resolution, and international relations. His objective and analytical writing style has earned him recognition, including the Managing Director's Best Worker award in 2008 and the GJA Best Journalist in Political and Parliamentary Reporting award in the same year. Asmah's academic excellence has been acknowledged through prestigious scholarships, including the Chevening Scholarship and the Indian Scholarship, further enhancing his knowledge and expertise. His passion for travel enriches his perspective and enables him to provide accurate and insightful information to a global audience. Overall, Kobby Asmah's exceptional skills, extensive experience, and commitment to journalistic excellence position him as a highly regarded Political Editor and a respected media professional in Ghana and beyond.

### ERNEST TARICONE

Ernest Taricone is a prominent industrial investor and civil engineer, known for his significant contributions to Ghana's economy. As the Executive Chairman and CEO of Trasacco Group, he oversees a diverse portfolio of businesses spanning agriculture, mining, forestry, construction,

and real estate development. Born in Italy in 1948, Taricone relocated to Ghana in 1968 with his family. Drawing on his extensive experience in construction and fundraising, he embarked on developing Trasacco Valley, a township named after his family's hometown in Italy. Currently, he is leading the transformation of Trasacco Valley into a thriving mini town, a project that is expected to be completed over a period of 10 years. In addition to his role at Trasacco Group, Taricone holds key positions as Managing Director of Micheletti & Co Ltd. Ghana, Executive Director of Sam Valley Farms, Managing Director of Royal Aluminium Systems Ltd, Director of TGL Properties, and formerly as Managing Director of Fabi Timbers Ltd. With his vast expertise and leadership, Taricone has made a significant impact on Ghana's business landscape and has played a crucial role in the country's economic growth.
