26<sup>TH</sup> JUNE 2023

THE EXECUTIVE SECRETARY  
NATIONAL LABOUR COMMISSION  
RIDGE - ACCRA

Dear Sir,

## NOTICE OF A NATIONWIDE STRIKE ACTION

On March 2, 2023 Sunon Asogli Power (Ghana) Limited terminated the appointments of three local union leaders including the Chairman, Secretary and Assistant Secretary of the Ghana Mineworkers' Union of Trades Union Congress (Ghana) for joining a trade union and leading the union at the enterprise level.

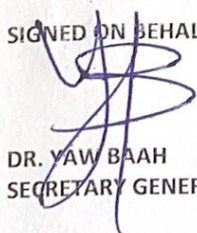

Organized Labour of Ghana finds the actions of Sunon Asogli Power (Ghana) Limited a violation of the fundamental rights of the workers guaranteed under the 1992 Constitution of Ghana, the Labour Act 2003 (Act 651) as well as the International Labour Organization Conventions 87 and 98 which are ratified by Ghana.

Organized Labour also views the blatant disrespect and willful disregard for workers' rights by Sunon Asogli Power (Ghana) Limited not only a threat to workers in the company but a threat to all the working people of Ghana.

Consequently, Organized Labour of Ghana, at a leadership meeting held on Monday, June 26, 2023 at the TUC Conference Room in Accra resolved to embark on a nationwide strike from **Monday July 10, 2023** until the three local union leaders are reinstated by the Company.

By this decision, Organized Labour of Ghana, directs all labour unions and their members across the country to stay home *beginning Monday July 10, 2023* until further notice.

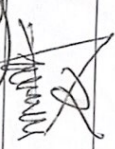

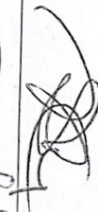

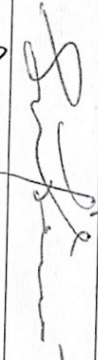

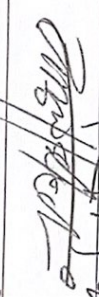

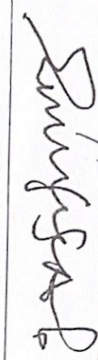

SIGNED ON BEHALF OF ORGANIZED LABOUR OF GHANA (AS PER ATTACHED LIST)

  
DR. YAW BAAH  
SECRETARY GENERAL
