FOR IMMEDIATE RELEASE

SEPTEMBER 25, 2023

RESIGNATION OF ALAN KYEREMATEN FROM THE NEW PATRIOTIC PARTY

The leadership of the New Patriotic Party (NPP) has taken notice of the unfortunate decision of Mr. Alan John Kwadwo Kyerematen, a long-standing member of the Party to forfeit his membership, and contest as an independent presidential candidate in the 2024 general elections.

The Party leadership is by this medium, urging the rank and file of our great Party to remain calm and await an official address by the Party to Mr. Kyerematen's resignation at 14:00 p.m. on Tuesday September 26, 2023, at the Party headquarters.

May God bless our homeland Ghana and make the New Patriotic Party great and strong.

A handwritten signature in blue ink, appearing to read 'Justin Kodua Frimpong', is written over the printed name.
