## **TM1 DISTRIBUTION UPDATE**

As we complete TM1 laptop distribution to teachers at the Primary & Kindergarten level, we wish to express our gratitude to all stakeholders particularly, our teachers and leadership of various teacher unions (GNAT, NAGRAT & CCT) for their cooperation.

We assure all teachers who are yet to collect their laptops that, the required stocks have been released for them to collect their laptops using the schedule provided below. The distribution platform has been fully activated for distribution to continue in Ashanti, Central, Western and Greater Accra regions.

It is important to note that, upon delivery of stocks to GES Regional Stores, allocations have to be made to respective districts based on data provided. The final distribution takes place after collection code has been generated by the teacher. This is important for audit purposes. ONLY eligible teachers would be served at the distribution point.

Teachers can generate their collection code by dialing the short code **\*790\*555#**
