SUSPENSION OF STRIKE ACTION AND CONTINUED COMMITMENT TO SAFETY

The Ghana Air Traffic Safety Engineers Association (GhATSEA) wishes to inform the general public that, following constructive engagement with the GCAA governing board and management, we have decided to suspend our planned strike action which was scheduled to take effect from 30th October 2025.

We appreciate the efforts made by all stakeholders during the discussions and remain optimistic that the ongoing engagements will lead to a lasting resolution of all outstanding issues.

GhATSEA assures the public, our partners, and all aviation stakeholders that we remain steadfast in our commitment to upholding the highest standards of safety and professionalism in the provision of air navigation services across the country.

We wish to thank the Ag. Director-General Rev. Stephen Wilfred Arthur and Ag. Deputy Director-General Technical Mr. Theophilus Aryee Ago for their commitment.

We also wish to thank the public and the media for their patience and understanding during this period and reaffirm our dedication to ensuring the continued safe and efficient operation of Ghana's airspace.

Thank you.

Respectfully submitted,

Engr. David Annan Mensah
President, GhATSEA
